- "Display of Plane in General" means the display which is free from the difference of the genre.

Operations:

Executive committee of the Japan Independent Art Exhibition are elected from all of members and exhibitors/

attention to Exhibitors

1. If you have any questions about participation in the Exhibition and procedure, please ask in Japanese
2. If you use aluminum frame for work object, put support on the corner of the frame with something like gum tape to keep another object.
3. Transparency of the frame be Acryl or polyvinyl chloride. We don't accept Glass.
4. Too much entries may be rejected because space of exhibit is limited.
5. Note up and down of work.
6. Over 1.2tons, $3.5 \times 1.9 \times 3.0m$, $1ton/m^2$ are the limitations to carry in.
7. Need approval from the Executive office of Exhibit to carry out or change work.
8. Children work cannot be registered.
9. Don't send works before the date of carrying in.
10. Organization is no responsible for any troubles out of regulation and accidental force.
11. Need approval from the Executive office of Exhibit to take Photos or Video.

Japan Independent Art Exhibition is based on philosophy of "independent" to remove pageant, not to bend the knees to power and is open space for creators with creativity and criticism on art. Artists, Critics, Appreciators, Reviewers and all members meet in level, share impression and impulse each other to create new art.
